

Leapfrog: Community Engagement Challenges

Sharing approaches and tools for bringing people together, exchanging ideas and making stronger, more active communities

Exhibition & Talks

Monday 5th February 2017

You are invited to join the Leapfrog team for an exhibition and afternoon of talks showcasing the outcomes and learnings from a 3 year project. We will share our insights around the challenges of community engagement and the approaches we took with our project partners to overcome them. Leapfrog is a £1.2 million AHRC funded project that collaborated with public sector and community partners across the UK to design and evaluate new approaches to consultation.

Where: The Glasgow School of Art
The Reid Building
167 Renfrew Street
Glasgow
G3 6RQ

When: 13.30- 16.50
Followed by a drinks reception at 17.00
