TITLE

Every good story starts with a title. Write down a title that invites people to read your story and provide feedback

WHAT IS THE STORY?

Write down a short version of the story. Some tips:

- Provide a context
- Identify key issues in the story
- Explain why issues raised matter
- Provide some details to help bring the story to life
- Give some conclusions to show the importance of this story

WE THINK IT'S IMPORTANT BECAUSE...

Explain with your own words why this story should matter to the organisation

WHAT DOES THIS STORY MEAN TO A MANAGER, CO-WORKER OR PARTNER?

This part asks for someone else for their take on the story. Is it important or not? Have they received new information that they didn't know? Why does it matter to them?

WHAT HAVE THEY/WILL THEY DO WITH THIS STORY?

Have or will they take any action from this story? If so, what are they going to do? Are you going to share this story with someone else? Has it led to any changes to the organisation?
