Print this grid big and work collaboratively. You can use this structure as lists or a sequence of stages.

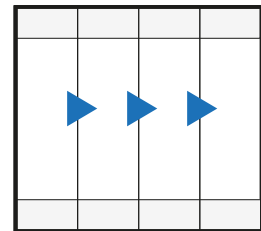

Suggestions for use

To identify how to engage a particular group in the most efficient way e.g. young fathers. Where do they go? What would incentivise them? When is the best time?

As a giant folded 'Exquisite corpse' Each collaborator adds to a composition in sequence by being allowed to see only the end of what the previous person contributed.

As a time plan to organise sequences of events, services or workshops, etc.
