Unveiling synergistic processes in community co-design through CHAT: eliciting awareness of mutual (informal) learning
Los Angeles County Museum of Art On Fire (Ed Ruscha, 1965-68)
What is... Community & Engagement?
It is a process and an outcome; Contextualised; Meaningful interaction; Long-term; Horizontal & bidirectional; re-scaling; personal & community levels
“in terms of community engagement and planning is not a new concept but it’s also not very sophisticated yet, it is a long way to develop it.”
